

# MimioDisplay: High-Definition Collaboration

## Act Now for Special Introductory Price!

### Brilliant, Engaging, and Collaborative

With its remarkable LED-illuminated screen, the MimioDisplay™ touch display helps you deliver stunning lessons and engage your students in a more collaborative learning experience. Multiple students can work together on the large touchscreen display at the front of the room. And the high-definition display can replace a separate interactive whiteboard, projector, and speakers – freeing up valuable classroom space.

Now you can deliver the high-definition experience that students enjoy in the world outside the classroom at this limited time price.\*

### Limited-Time Introductory Price and Information

From June 26, 2014 through September 30, 2014, buy a MimioDisplay touch display and receive the special introductory price on the 55", 65", and 70" models. Act now to bring high-definition collaboration to your classroom affordably. See promotion terms and conditions below.
